Your Wedding Cake

Please visit our website to familiarize yourself with our extensive body of wedding cake work. On our web site you'll find full details about our cake flavors, icings and fillings. Here we'll explain the basics so you understand the wedding cake ordering process.

You have many decisions to make. Some are easy; some take a little extra thinking.

- How many guests to feed?
- Saving the top tier for your first anniversary?
- Do you have a design in mind?
- What flavor(s) of cake? What type of fillings?
- What is your preference for icing?
- Are you planning on fresh flowers? If so, we'll need a contact number for the florist?
- Do you need the cake delivered? If so, we need the venue address and we need to determine in advance the exact delivery details to ensure set-up goes smoothly.
- Finally, when you order your cake from the Gristmill we'll need to know the date and time of your wedding reception.

Cake Flavors & Fillings

Our cake flavors are moist White, rich Devil's Food, spicy Carrot, smooth Champagne, luxurious Red Velvet and marvelous Marble. We make our own cakes and icings, so we can customize flavors. Cake fillings range from our standard cream and fruit fillings, to fresh fruits and custom mousses. We recommend mixing it up!
